

There are no words that could adequately express my gratitude for your support of, and confidence in, the team you elected to National Office at the 128th Continental Congress. THANK YOU. We are so excited about our future! Now, let's get down to work!

Rise & Shine for America Webinar

We have put together a webinar to introduce you to the VanBuren Administration and share our goals and objectives for the next three years. [You can view the webinar at your convenience here.](#)

The Next Act

One of the important administration goals discussed in the webinar will be completing the final phase of restoration of DAR Constitution Hall – it is a huge undertaking – at \$4.5 million. Phase III will address every facet of the interior of the Hall, from the seats to the ceilings. You can learn more about “The Next Act” and how you can become involved [here: www.dar.org/TheNextAct](http://www.dar.org/TheNextAct).

Keep Current

I encourage you to keep current on the latest developments in our Society. The easiest way to do this is to subscribe to the [Today's DAR Blog here](#) to receive each blog post via email. Also be sure to subscribe to the award-winning DAR magazine, [American Spirit](#), and you will receive the companion publication, *Daughters* newsletter, which overflows with information about our Society. All of these will help you be an informed and active member.

New Facebook Page

I am excited to announce today that we have started a DAR President General Facebook page! You can like and follow it [here: www.facebook.com/DARPresidentGeneral](http://www.facebook.com/DARPresidentGeneral). On this Facebook page, I will share member-related information and snapshots from my travels and day-to-day adventures. I hope you will follow me!

Visit the [DAR Members' Website](#) to learn more about the exciting highlights we have planned for our term in office. Our team is grateful for the opportunity to shape our DAR work in the years ahead. **But we can't achieve anything without YOU.** So, think big, think bold and help us bring our beloved Society to dazzling new heights of achievement.

As your 45th President General, I look forward to working with you in meaningful service, as we honor the spirit of our Revolutionary ancestors!

Let us together, Rise and Shine for America!
